Purchasing Guidelines:

These items are sold as an e-book and downloaded from the Internet. Either the person purchasing or a teacher may download the items after the purchase. **The email address used during the purchase is very important.** The link and code for downloading will be sent to the email address provided. This email may be forwarded to the teacher for downloading. We protect your email address and do not sell or distribute it to anyone.

Credit Card: After the funds are received, an email will be sent containing a download code. The district can download the files or send the e-mail to a teacher to download.

Purchase Order: If paying by purchase order whether by mail or fax, we will e-mail you the download code as soon as the order is received.

- Purchase one copy of the teacher's book for the entire school or district. The license allows you to print copies for each teacher, or put the books on your network..
- Purchase all workbooks for each student at the low price of \$1 each per student. The license allows you to print copies for each student. Order the quantity needed for the number of students who will receive workbooks.
- NOTE: *These workbooks have a renewable license* – each year the school purchases workbooks for each student, but does not need to repurchase the teacher books.
